

# Dresden Battery Days 2017 | Invitation

September 18–20, 2017, Fraunhofer IKTS

Fraunhofer Institute for Ceramic Technologies and Systems IKTS

Dear Ladies and Gentlemen!

We are pleased to invite you to the **2nd Dresden Battery Days** meeting on **“Solid-state batteries – materials, manufacturing and system aspects”** from **September 18–20, 2017** taking place at **Fraunhofer IKTS in Dresden, Germany**. This two-day meeting will be dedicated to the exchange of knowledge between international electrochemical energy storage experts on the specific topics of

- Status of research and development of solid-state batteries
- Manufacturing issues
- Aspects of future system integration

Furthermore, we invite you to intensify contacts and topics at the get together with poster session and IKTS lab tour on September 18 as well as the evening program on September 19, 2017. The symposium is also complemented by an industrial exhibition.

It would be our pleasure to welcome you in Dresden.

Best regards

Mareike Wolter  
On behalf of the organizing committee
