**digital rail
convention** 

**B2B@
digital rail
convention** 

You are cordially invited to join the

B2B event (virtual or on-site) + Digital Rail Convention (on-site)

Meet your future cooperation partners:

B2B | 08.09.2021

Location: virtual or on-site (Annaberg-Buchholz, Germany)

Organiser: [Enterprise Europe Network Saxony](#)

The Digital Rail Convention 2021 will be accompanied by the [B2B@ DigitalRailConvention2021](#) on 8th September 2021 organised by Saxon Enterprise Europe Network partners. This matchmaking event is planned as hybrid event- that means both, virtual and on-site participation is possible.

Conditions: Online- participation is free of charge. Please make sure that you hold a valid ticket of Digital Rail Convention 2021, if you decide to attend on-site (see conditions below of the Digital Rail convention 2021).

Be part of the encounter between research, teaching and practice in the field of the digitalisation of rail:

Digital Rail Convention 2021 | 07. -10.09.2021

Location: Annaberg-Buchholz, Germany

Organiser: [Smart Rail Connectivity Campus \(SRCC\)](#)

You can expect days full of exchanges about ideas and applications in the current railway industry with a focus on digitalisation. Therefore, an extended [programme](#) takes place (workstreams, digital test field Erzgebirgsbahn, etc.).

Conditions: Participation fee: 500 EUR -> A limited number of **discounts** are available to registered participants of the **B2B event**. Therefore, I. [Register](#) for the B2B event (free of charge) and choose **on-site participation**, II. Receive Promo - Code, III. Register for the conference and insert the Promo code during [registration process](#) (reduced fee: 430 EUR).

Questions? Mail to: Jana Barth (barth@zts.de) or Nikola Loske (nikola.loske@chemnitz.ihk.de) – EEN Saxony
