

European Clean Hydrogen Alliance

Quick Guide to B2Match collaborative platform of the European Clean Hydrogen Alliance

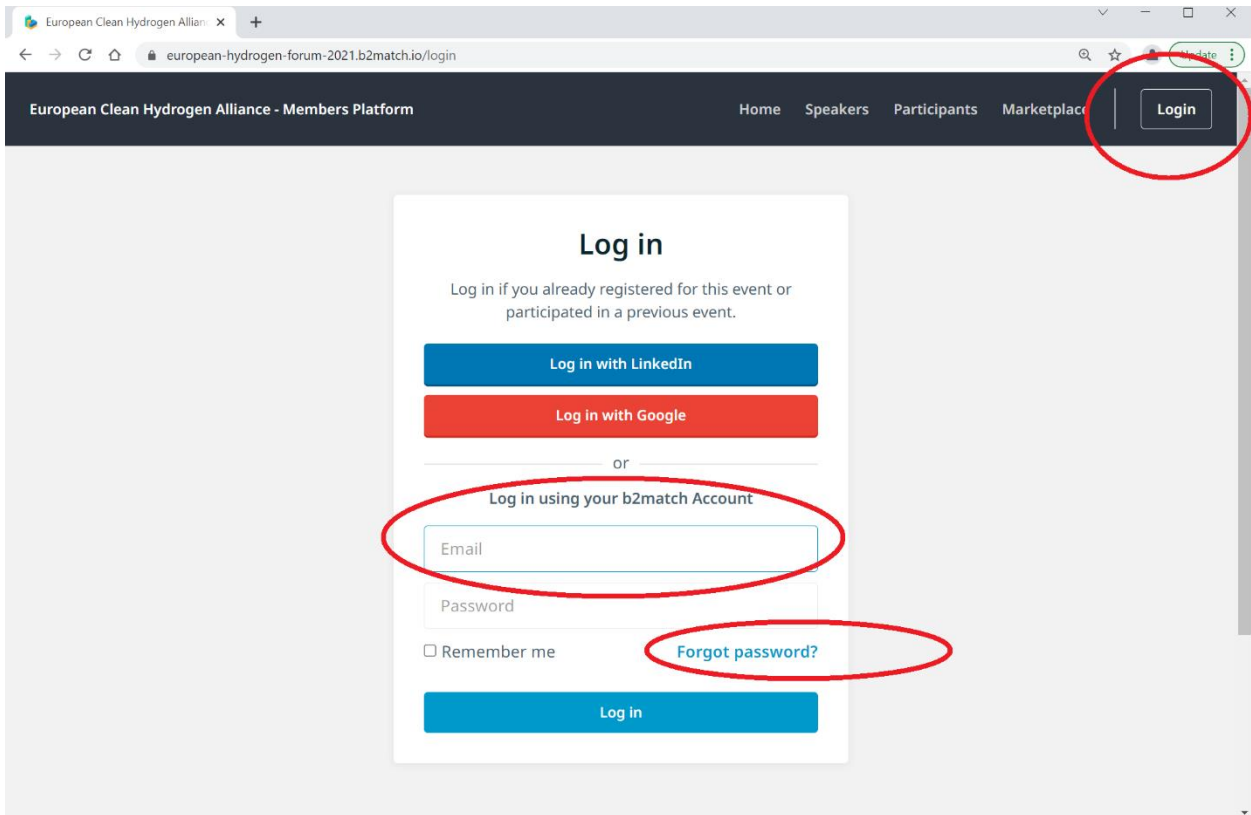

Contents

1. HOW TO LOGIN.....	2
2. HOW TO PARTICIPATE IN THE HYDROGEN FORUM.....	3
3. HOW TO CONTACT OTHER STAKEHOLDERS ON THE PLATFORM.....	5
4. HOW TO SEE PROJECTS AND COOPERATION PROPOSALS POSTED BY STAKEHOLDERS	6

1. How to login

To login to the platform, please go to the homepage and click on the “Login” button:

<https://european-hydrogen-forum-2021.b2match.io/>

If you are **not sure if you have an account**, or **have forgotten your password**, click on the text “Forgot password?” and enter your e-mail address. You will then receive an e-mail with a link that allows you to reset your password and access the platform.

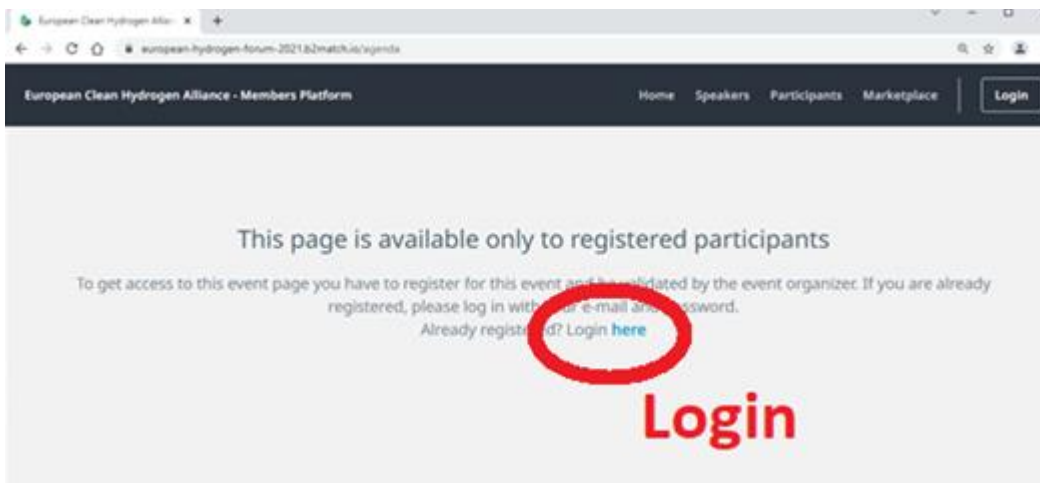

When resetting your password, if you see a text “Email doesn't exist!” next to the e-mail address that you entered, it could be because you used a different e-mail for registering on the platform, or you have not yet been registered.

- First try another e-mail address.
- If that doesn't work, AND you are an Alliance member, please send a request to register to: GROW-HYDROGEN-PLATFORM@ec.europa.eu

2. How to participate in the Hydrogen Forum

To join the Hydrogen Forum, you must connect to the platform:

1. Login to the platform and then go to the Agenda page:
 - a. <https://european-hydrogen-forum-2021.b2match.io/agenda>
2. Register for the Hydrogen Forum by clicking on the “Add” button
 - a. The “Join online session” button will activate 5 minutes before the session starts.
 - b. You can join the Hydrogen Forum at any time during the event, log off, and return as you please.
3. **During the Forum:** all participants will be able to ask questions via the Slido.

	Storage for mobility Add
10:30 - 11:30	Open matchmaking: Rail - FC propulsion and hydrogen valleys Add
11:00 - 12:00	Open matchmaking: Chemical Industries Join Online Session Remove

3. How to contact other stakeholders on the platform

The participant on the platform are listed in the “Participants” tab

1. Search for stakehodlers based on several criteria on the left panel
2. View their profile
3. Connect
 - a. Send a private message, or
 - b. Request a 1:1 private meeting on the platform (will be a private video/call session on the B2match platform), or
 - c. Bookmark as favorite - can be used a filter criteria (see left search panel).

NOTE: Participants can enable and disable 1:1 meetings and messages. For this reason the buttons are grey for some participants. The best time to contact stakeholders is when most are online, e.g. during the Forum day(s).

4. How to see projects and cooperation proposals posted by stakeholders

The project and cooperation proposals are listed in the "Marketplace" tab.

1. Search for projects based on keywords on the left panel
2. View project details, contact profile or connect via video call.
