

MEETING

“Towards a decarbonized and circular industry”

- 10.30 - 10.35** | Welcoming words by Prof. Dr. rer. nat. habil. Alexander Michaelis, Institutsleiter, Fraunhofer-Institut für Keramische Technologien und Systeme IKTS
- 10.35 - 10.40** | Welcoming words by Mrs. Mandy Schipke, Chairman of the Board, Energy Saxony
- 10.40 - 10.50** | Decarbonization Strategy in Wallonia by Mrs. Pascale Delcomminette, CEO AWEX-WBI
- 10.50 - 11.00** | Hydrogen Solutions to Support the Development of a Sustainable Industry by Mrs. Isabelle Widmer, General Manager, John Cockerill Industry Germany
- 11.00 - 11.10** | Predictive Maintenance and Sustainability by Mr. Fabrice Brion, CEO I-Care
- 11.10 - 11.25** | The Cistemec Project : Industrial Circular Value Chains for Energy Transition and Electric Mobility by Mr. Pierre Fiasse, European Funding Coordinator, Comet Group
- 11.25 - 11.30** | Break (participants of Track B* join in)
- 11.30 - 11.45** | Development Highlights of the Fraunhofer Campus on Batteries and Circular Economy by Dr. Mareike Partsch, Department head of Fraunhofer IKTS
- 11.45 - 12.10** | Tech and energy : Presentations by Saxon energy companies
- 12.10 - 12.35** | Presentations by the Belgian companies Greenomy, Watt4ever and Prayon
- 12.35 - 13.30** | Lunch

Track B*: visit of the Fraunhofer Institute for Material and Beam Technology IWS and for Ceramic Technologies and Systems IKTS and their labs for battery development (organized by hub Brussels)

VISIT JT Energy (battery re-use) upon prior registration

- 13.30 - 14.15** | Transfer to JT Energy (Buchenstraße 1, 09627 Bobritzsch-Hilbersdorf) (Bus)
- 14.15 - 14.45** | Welcoming words and company presentation by JT Energy, Novum, Tricera + Reply by AWEX CEO Pascale Delcomminette
- 14.45 - 15.40** | JT Energy Factory visit
- 15.40 - 16.00** | Drink

Venue

Fraunhofer Institute für Keramische Technologien und Systeme **IKTS**

7 December 2023

10.30 - 14.00

Winterbergstr. 28
01277 Dresden
