

INVITATION

Cluster WASTen and School of Engineering Sciences at TU Dresden invite selected representatives from business and science to a joint Czech-Saxon workshop.

WAYS TO CIRCULAR ECONOMY

3.- 4. May 2023

Start of the workshop: 5:30 pm, 3rd of May

Please register to: vojtech.broz@euroforumgroup.cz, +420 774 701 381

The whole workshop is free of charge.

Language: English

During the round table meetings, the support of interpreters (Czech/German) will be ensured.

Objectives and theme of the workshop:

The theme of this workshop follows on from the successful previous workshop held in Dresden in September 2022 entitled "Recovery of Valuable Materials". The goal of this event will be to deepen cross-border cooperation between Czech and German companies, universities and research organizations in the area of the circular economy. A presentation session on circular practices will be followed by round tables divided into 4 sections: Metals/Electronic Scrap; Plastics and tires; Energy from waste; Biowaste and Hydrogen. The event is organized and sponsored by the cluster WASTen and the School of Engineering Sciences at TU Dresden.

Accommodation: Grand Hotel International Prague, Koulova 1501/15, 160 45 Praha 6, **The accomodation is not covered for. Each guest will pay for his/her own accommodation** (approx. 105 EUR per night), please let us know if we shall reserve a room for you.

Workshop venue:

TU Prague CIIRC Penthouse – 10th floor
Jugoslávských partyzánů 3, Prague, Czech Republic

PROGRAM:

3 May

5:30 pm	Arrival, Start of the workshop CTU CIIRC Penthouse – 10th floor Jugoslávských partyzánů 3, Prague, Czech Republic

	Greeting Address Mgr. Petr Hladík (TBC) Minister of the Environment of the Czech Republic
	Greeting Address Christian Weßling Head of Division Saxon State Ministry for Regional Development
30'	Importance of environmental parameters in non-financial reporting of waste and recycling companies prof. Ing. Vladimír Kočí, Ph.D., MBA UCT Prague
30'	Contribution of the circular economy to resource conservation Prof. Dr.-Ing. habil. Christina Dornack TU Dresden
7:30 pm	Transport to riverside – Dinner cruise
8:00 pm	Dinner cruise , Vltava River (Prague)
10:00 pm	End of the boat cruise , Transport back to Grand Hotel International

4 May

9:30 am	Open doors Location: CTU CIIRC Penthouse – 10th floor Jugoslávských partyzánů 3, Prague, Czech Republic Moderation: Ing. Vojtěch Brož
10:00 am	Greeting Address Josefina Ofner (TBC) office of the Free State of Saxony in Prague

10:15 am	Greeting Address Doc. Ing. Marian Piecha, Ph.D., LL.M (TBC) Deputy Minister of Industry Czech Republic
10:30 am	Structural Development Milan Patek Structural Development Officer Saxon State Ministry for Regional Development
10:45 am	Polymer / Lightweight Engineering, CircEcon Prof. Dr.-Ing. habil. Maik Gude TU Dresden
11:30	Thermal depolymerization Viktor Kuna ENRESS s.r.o.
	Coffee break
12:00	Moderated Round Tables Sustainable Waste Management – Sharing experience
	Table 1: Metals/Electronic Scrap
	Table 2: Plastic Materials / Tires
	Table 3: Energy from Waste, Biowaste
	Table 4: Hydrogen
13:30 pm	Summary, Wrap up, Next steps
14:00 pm	End of the event

We look forward to your participation.
